

U2NL// THE ULTIMATE U2 FEELING

"In the last thirty years U2 have come up to be one of the most influential rock bands ever. Over 30 hit singles in the Netherlands ,of which about twenty reached a top 10 position, U2 epitomizes music and showmanship of the highest level.A band appreciated all over the world for the sound, the show and the stories behind many impressive songs. "

U2NL were formed in 2003 and have turned out to be the most succesfull tribute band of the country since.In an impressive way they pay a tribute to their Irish heroes.The list of countries where they have performed their electrifying show is impressive and still growing. In 2006 the band got an invitation from the FIFA to do a show in Cologne prior to the quarter finals of the World Cup Football. Shortly after this, the Austrian government invited the band to do a show in the renowned "Kunsthau Nexus" . Shows in Belgium, Luxemburg, Switzerland, Germany and of course the Netherlands followed. Another highlight was the show during the G8 meeting in Rostock, Germany in 2007.That year the band also started to conquer Scandinavia, being the headliner on the big "Rock-Off-festival" in Finland.The internationals festival that feature U2NL are ever so increasing and every time U2NL gives the audience want they want : the ultimate U2 feeling!

U2NL distinguish themselves in many ways , they think big and don't skimp on show or sound .It has resulted in many highlights. Rarely a tribute band has ever succeeded in making such an impact in such a short time and being invited in so many countries.

In January 2007 a wish the band cherished for a long time finally came true: To produce a theatreshow about U2's music and the history of the band. Premiere night was a blast! In a sold-out venue U2NL showed each and everyone there what they were made of. The rendition of the show convinced theatre producer Ruud de Graaf of the sheer quality of the show and the band will go on a tour to do the show called "In the name of U2" in about 30 theatres in the Netherlands and Belgium!

U2NL deliver a high octane, dazzling live rock show, with the biggest U2 hits and give the spectators the ultimate "U2 feeling"!
